**Dear Executive Members,
Dear associate members who were directly involved in the contest presentation,
Dear experts,
Dear Honorary members,
To whom it may concern,**

We are proud to announce you that tonight (January 17,2012) SPACE wins the “Rois de la Supply Chain” (“Kings of Supply Chain”) award (2nd trophy) organized by Supply Chain Magazine.
This award was just delivered in the ceremony gathering more than 1000 people from the French Supply Chain network.

To read more about the prestigious ceremony, let’s click on the special edition Newsletter dedicated for “Rois de Supply Chain” of Supply Chain Magazine <http://supplychainmagazine.fr/NL/2012/1333/>

We would like to thank **Thierry Camerin (Sotip), Guillaume Krempp (Bronzavia), and Christophe Perrin (Fonderie Mercié Europe)** for their active support in this contest.
It is also the result of the live support from Space experts and we would like to share this award with them.

And last but not least, we thank **René Colin** who launched this rewarding challenge and **Solange Hollard** for her strong support.

Thanks all of you for your full support.

TODAY, ALL OF US ARE KINGS OF SUPPLY CHAIN!

**On behalf of Maurice Perrault, SPACE President
and Christophe Cabaret, Director of Operations**

Sincères salutations / Best regards
